JOURNALISM EXPERIENCE

Emeryville Today

City Government Reporter

August 2026 - Present

Berkeley, CA

- Cover Emeryville city politics, including city council meetings, candidate forums, and the November midterm elections
- Write stories and voter explainers that help residents understand local ballot measures and election information

Brown Daily Herald

Data Desk Staff and Contributor

August 2025 - May 2026

Providence, RI

- Analyzed FEC donation records and public demographic data to profile the political giving and backgrounds of Brown University Corporation members
- Built interactive visualizations in Datawrapper, HTML, and CSS, including maps, council charts, and a sports attendance analysis

Brown Political Review

Staff Writer

August 2025 - May 2026

Providence, RI

- Wrote political analysis articles focused on Latin America and popular culture, examining state violence, social movements, and political economy
- Edited and gave feedback on fellow writers' work and built data visualizations in Datawrapper to accompany articles

RESEARCH AND TEACHING EXPERIENCE

Population Studies and Training Center

Research Assistant

September 2024 - May 2026

Providence, RI

- Processed 1,000+ survey observations in Stata for the Mexican Migration Project, building person- and household-level files

Travers Department of Political Science

Graduate Student Instructor

August 2026 - Present

Berkeley, CA

- Lead weekly discussion sections for 52 undergraduates in Intro to International Relations, designing interactive exercises that engage students with different learning styles
